CHUKWUKA ANDREW OKOLIE

MONITORING, EVALUATION & RESEARCH SPECIALIST|DATA ANALYST|EXECUTIVE ASSISTANT

+234 803 479 7972 | andrewchukwuka90@gmail.com | Enugu, Nigeria

PROFESSIONAL SUMMARY

I am a dedicated Program/MEAL Officer with over seven years of experience in project management, monitoring and evaluation, research, data analysis, and training, complemented by hands-on experience as an Executive Assistant. I excel in developing and implementing program/M&E components for non-profit organizations, leading operational research and evaluations, providing high-level administrative and executive support, fostering stakeholder relationships, and ensuring project compliance with international standards. My expertise in problem resolution, data collection, and strategic planning enables me to effectively contribute to community initiatives.

PROFESSIONAL EXPERIENCE

Monitoring, Evaluation, Accountability and Learning/Research Officer

04/2025 – Present

RedAid Nigeria (RAN) Enugu State, Nigeria

- Provide technical assistance and capacity building for the design and implementation of project M&E components
- Offer guidance to project staff across state, LGA, and community levels to ensure alignment with the project's goals and objectives
- Ensure the quality of project monitoring and evaluation in project LGAs meets international standards by developing and implementing quality assurance mechanisms
- Ensure accurate and timely reporting of project activities and achievements on the DHIS2 and CommCare reporting platform
- Analyze project data and routinely provide feedback/reports to the technical team and the SR
- Conduct routine supervisory and monitoring visits to project LGAs
- Usage of Kobo Collect tool, ODK, and COMMCARE app
- Participate in project assessments, evaluations, and operational research design and analysis
- Document lessons learned and best practices in monitoring and evaluation, in line with established guidelines
- Enhanced M&E plans of Sub-Recipients (SRs) by supporting their development of comprehensive monitoring frameworks
- Lead and support operational research, baseline, midline, and endline assessments to inform program design and implementation
- Develop research protocols, data collection tools, and methodologies for program evaluations and special studies
- Coordinate field data collection activities, ensuring adherence to research ethics and data quality standards
- Analyze quantitative and qualitative research data and prepare technical reports, presentations, and policy briefs
- Collaborate with program teams and stakeholders to translate research findings into actionable recommendations for program improvement

Executive Assistant

08/2024 – 03/2025

6:45 Global Services Lagos, Nigeria

- Managed executive's calendar, scheduled meetings, and coordinated appointments to optimize daily workflow
- Coordinated travel arrangements, itineraries, and logistics for executive business trips
- Drafted, reviewed, and managed correspondence, reports, and internal communications on behalf of the executive
- Organized and prepared materials for meetings, including agendas, minutes, and follow-up action items
- Maintained confidential files and records, ensuring accuracy and easy retrieval of documents
- Liaised with internal departments, clients, and external stakeholders on behalf of the executive

Project Officer, Monitoring and Evaluation Officer

01/2016 – 08/2024

Mission To Save The Helpless (MITOSATH) Ekiti State, Nigeria

- Supported the preparation and review of program reports in collaboration with program staff

- Managed research activities ensuring outcomes and lessons learned are integrated into the project
- Provided training and mentoring to partners and staff to ensure strong M&E systems
- Designed and managed gender-disaggregated beneficiary monitoring and database systems
- Ensured timely collection, processing, analysis, and reporting of program data
- Oversaw application of monitoring and evaluation activities
- Usage of Kobo Collect tool, ODK, COMMCARE app, and development of questionnaires for research purposes
- Incorporated NTDs-WASH activities
- Pre-implementation of projects at state and local level; development of concept notes and budgets for implementing activity
